FREESTANDING RETAIL AND FINANCIAL ATM

HYOSUNG 5400SE

OVERVIEW

The 5400SE is the Windows CE configuration of Hyosung's Hero platform. Its 15-inch screen and two removable cassettes suit locations that need more cash on hand between refills.

FULL FRONT

THREE-QUARTER VIEW

FRONT PANEL

STANDARD FEATURES

- **Two 2,000-note removable cassettes** in the listed base configuration.
- **EMV card reader** with a PCI-compliant keypad.
- **Graphical thermal receipt printer** for printed receipts.

OPTIONAL CONFIGURATIONS

Additional cassettes, an anti-skimming reader, a topper, a Cencon lock, and a Level 1 safe are available.
