HOW TO READ THIS PRICE LIST

Total incl. shipping adds the flat $250 shipping charge once per ATM. For example, a Genmega G2500 with one 1,000-note cassette is **$2,451** + $250 shipping = **$2,701** delivered. Add an S&G lock (+$413) and it is $2,864 + $250 = $3,114.
